

2019 GSA Winter Forum

The Westin Atlanta Perimeter North
Atlanta GA

February 15-16, 2019

Jointly provided by...

American Society of
Anesthesiologists™

Continuing Medical Education

Statement of Need

The GSA Winter Forum is jointly provided by American Society of Anesthesiologists and the Georgia Society of Anesthesiologists. The program content is derived from a member needs survey feedback and post-meeting evaluations over past conferences. The educational focus informs attendees on current issues in anesthesiology and updates across multiple disciplines.

Target Audience

This activity is intended for anesthesiologists. Researchers and other health care professionals with an interest in anesthesiology may also participate.

Accreditation

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American Society of Anesthesiologists and the Georgia Society of Anesthesiologists. The American Society of Anesthesiologists is accredited by the ACCME to provide continuing medical education for physicians.

The American Society of Anesthesiologists designates this live activity for a maximum of *9.5 AMA PRA Category 1 Credits™*. Participants should claim only credit commensurate with the extent of their participation in the activity.

CME Credits

Date	Time	Topic	CME Credits
2/16/19	7:30 - 8:30a	Anesthesia for Patients with Reduced Ejection Fraction	1
2/16/19	8:30 - 9:30a	Elevated Maternal Mortality and Racial Disparities in Access to Medicine	1
2/16/19	10:00a – 11:00a	Opioids- Legal Implications for Prescribers	1
2/16/19	11:00a – 12:00p	Paradigm Changes in Pediatric Airway	1
2/16/19	12:30 - 1:30p	Neuroanesthesia Potpourri	1
2/16/19	2:00 - 3:00p	Poster Presentations of Top Scoring Trainee Research Projects	1
2/17/19	8:30 - 12:00a	Advocacy Training Workshop	2.5
		Total	8.5

Learning Objectives

Anesthesia for Patients with Reduced Ejection Fraction

Ellen Richter, MD, Emory University School of Medicine

At the end of the session, participants will be able to:

1. Identify the pathophysiology of heart failure with reduced ejection fraction (HFrEF)
2. Evaluate the impact of left ventricular systolic failure on perioperative outcomes
3. Identify perioperative guidelines relevant to HFrEF
4. Describe how common anesthetic techniques and agents impact the failing LV.

Elevated Maternal Mortality and Racial Disparities in Access to Medicine

Shelly Norris, MD, Emory University School of Medicine

At the end of the session, participants will be able to:

1. Describe the current state of maternal mortality in the U.S. and Georgia
2. Identify causes of disparity in maternal mortality
3. Evaluate current personal attitude toward minority patients and reflect on implicit bias in practice
4. Identify strategies to reduce/eliminate disparities in maternal health outcomes.

Opioids - Legal Implications for Prescribers

Zwade J. Marshall, MD, MBA, Alliance Spine and Pain
Nekia Hackworth Jones, Esq., Nelson Mullins

At the end of the session, participants will be able to:

1. Review the most updated opioid prescribing guidelines
2. Identify the documentation requirements for opioid prescribers
3. Employ risk mitigation strategies for the potential opioid abusers
4. Identify and acknowledge underpinnings of physician prosecutions by law enforcement.

Paradigm Changes in Pediatric Airway

Julie Williamson, DO, Emory University School of Medicine

At the end of the session, participants will be able to:

1. Contrast pediatric to adult airway management
2. Compare delayed to rapid sequence intubation
3. Explore limitations of front of neck access in pediatric patients
4. Introduce the Vortex model of airway management.

Neuroanesthesia Potpourri

Alexander Papangelou, MD, Emory University School of Medicine

At the end of the session, participants will be able to:

1. Identify the current status of evidence in the anesthetic management of endovascular mechanical thrombectomy
2. Review the evidence-based non-opioid options for post-craniotomy pain
3. Identify the approach to fluid management during craniotomy.

Agenda

Friday, February 15

3:00 - 6:00p **Registration**
Concourse Prefunction

4:00 - 6:00p **Exhibit Assembly**
Mercer Room

4:30 - 6:30p **Board of Directors Meeting**
Concourse North

7:00 - 8:30p **Hospitality Suite Networking**
Hospitality Suite 303
Hors d'oeuvres and refreshments provided

8:30p **Dinner on Your Own**

9:30 - 11:00a **Resident Section Meeting**
Bernstein I

GA-AAA General Business Meeting
Bernstein II

10:00a – 11:00a **Opioids- Legal Implications for Prescribers**
*Zwade J. Marshall, MD, MBA
Alliance Spine and Pain
Nekia Hackworth Jones, Esq.
Nelson Mullins*

11:00a – 12:00p **Paradigm Changes in Pediatric Airway**
*Julie Williamson, DO
Emory University School of Medicine*

12:00 - 12:30p **Lunch**
Kern/Porter/Rogers

12:30 - 1:30p **Neuroanesthesia Potpourri**
Alexander Papangelou, MD, Emory University School of Medicine

1:30 - 2:00p **Break with Exhibitors**
Mercer Room

2:00 - 3:00p **Poster Presentations of Top Scoring Trainee Research Projects**

Medically Challenging Case Presentations
Suboxone in the peripartum patient
Lauren Guenther, MD

Remifentanyl for RSI in a patient with malignant hyperthermia undergoing thyroidectomy
William Trudo, MD

Original Scientific Research Presentations
Prevalence of bradycardia associated with sugammadex administration in a single-center retrospective analysis of electronic medical record data
Matt Weis, MD

Why are multiple administrations of sugammadex and/or neostigmine given?
Author: Arjun Meka, MD
Presented by Matt Weis, MD

Saturday, February 16

All sessions will take place in Concourse Ballroom unless otherwise noted.

6:00a **Exhibit Assembly**
Mercer Room

6:30 - 7:20a **Registration**
Concourse Prefunction

Breakfast with Exhibitors
Mercer Room

7:20 – 7:30a **Welcome**
*Maurice Gilbert, MD
GSA President*

Introductions
*Rachel Steckelberg, MD, MPH
GSA 2019 Winter Forum Activity Director*

7:30 - 8:30a **Anesthesia for Patients with Reduced Ejection Fraction**
*Ellen Richter, MD
Emory University School of Medicine*

8:30 - 9:30a **Elevated Maternal Mortality and Racial Disparities in Access to Medicine**
*Shelly Norris, MD
Emory University School of Medicine*

9:30 - 10:00a **Break with Exhibitors**
Mercer Room

Agenda

Saturday, February 16

All sessions will take place in Concourse Ballroom unless otherwise noted.

- 3:00 – 4:00p **Committee Meetings**
Government Affairs & Practice
Management – Mercer Room
- Membership - Bernstein II
- Program and Education – Bernstein I
- 4:00p **Governance Assembly Committee
Reports**
Concourse Ballroom

Sunday, February 17

All sessions will take place in Concourse Ballroom unless otherwise noted

- 7:30 - 8:30a **Breakfast**
- 8:30 - 11:00 **Advocacy Training Workshop**
Concourse Ballroom

Commercial Support & Exhibitors

The Georgia Society of Anesthesiology gratefully acknowledges the following companies for commercial support of educational grants for the 2019 Winter Forum.

MAG Mutual

Unrestricted educational grant

GA Academy of Anesthesiologist Assistants

Unrestricted educational grant

Exhibitors

American Anesthesiology / MEDNAX

Eagle Pharmaceuticals

Emory University GYN/OB Research

Epix Anesthesia

FujiFilm SonoSite
